

按行写入

A 4x7 grid of binary data. The grid is divided into four vertical sections by color: light blue (columns 1-2), medium blue (columns 3-4), dark blue (columns 5-6), and grey (column 7). Arrows at the top point down to each column, labeled '按行写入' (Write by row). Arrows on the left point left from each row, labeled '按列读出' (Read by column).

0	0	1	1	1	1	1
0	0	0	0	1	1	1
1	0	1	1	0	1	1
1	1	0	0	1	0	1
